## **PERSONAL NOTE: "From the Heart"**

---

A sincere thanks to all who are making a difference by contributing their time and support to continue New Hope's programs. Thank you all so much!! ☺

We are so happy Spring is finally here. We have several upcoming events.

On April 8<sup>th</sup> the Girl Scouts drive for "Personal Hygiene" items. We look forward to this support from our community.

Then on May 13<sup>th</sup>, the Postal Workers are sponsoring the "Stamp Out Hunger" which we appreciate so very much. We will need volunteers to help us with that drive. If you are able to volunteer, please give us a call for schedules.

Also, remember clients with special needs, diabetics, etc. We are always in need of personal hygiene products, laundry detergents, dish detergents and cleaning products.

We appreciate our volunteers and contributors and thank you so much.

May God Richly Bless You and Your Family!

## Your Monthly Support is Needed

We are always asked "What is needed most". The truth is monthly donors are needed to help pay the overhead expenses to keep the doors open.

We at New Hope are all volunteers, so the finances are spent on monthly bills.

These are on going bills that we can do nothing about other than pay them. It is only with the help of people like you that we can remain open and offer love, encouragement and help to those in need.
